

MAKE IT AMAZING

Whizz-Kidz knows how important wheelchairs are. For almost 30 years we've been helping young disabled people get the wheelchair that's right for them. Now we want to see what kind of wheelchair you'd have in your dreams!

We've teamed up with Duchenne UK, the University of Edinburgh and People's Postcode Lottery for an exciting competition, so you can design your dream wheelchair.

Will it be wacky, wild, and wondrous? Do you have a brilliant idea to help transform your wheelchair and your life? We want you to be creative, dream big, make it yours and make it amazing.

The competition is open to all young wheelchair users* in the UK aged 25 and under. You can submit your design either by drawing it, writing it, or a bit of both. Don't worry if you aren't confident with drawing or writing, you can team up with someone else who can help you. Just make sure the ideas are all yours.

Once you've finished your fantastic design, go to: whizz-kidz.org.uk/dreamwheelchair download and complete an application form and send it all to: dreamwheelchair@whizz-kidz.org.uk before June 10th 2019 when the competition closes.

You can also share your brilliant design on Twitter, Facebook and Instagram using

#DREAMWHEELCHAIR

The winner of the competition will get a:

- £500 Amazon voucher
- Smart speaker
- 3D printed model of their winning design.

Two runners up will get a:

- £100 Amazon voucher
- Smart speaker
- Photo rendered print of their design.

There is also a £500 Amazon voucher for any school, college or youth organisation that supports the winning design.
