

Magic Reindeer Food

Reindeer Food is a simple fundraising concept for Christmas which comes with the following festive message:

'On Christmas Eve, before you go to bed, sprinkle this reindeer food onto your garden. The magic glitter sparkling in the moonlight and the smell of oats will guide Rudolph to your home for Father Christmas to deliver your presents!'

The bags are cheap and easy to make and sell at £1 each. Please note - Reindeer Food is not for human consumption.

Ingredients:

- **Oats** - cheapest you can buy (1kg will make approx 64 bags of Reindeer Food)
- **Bag material** - voile cut into 10 inch squares. The colour of the voile is up to you! You could even make them double layered with blue and yellow!
- **Gold stars** - from most good stationers
- **Gold glitter** - as above
- **Gold thread/ribbon** - for tying label to the bag
- **Information label** - sheet attached. Labels need to be cut and hole punched

Method:

1. Lay flat a 10 inch square of material and place two of the gold stars in the centre
2. Sprinkle approx 1/4 tsp of glitter in and around the centre area
3. Pour in a tablespoon of oats
4. Gather all four corners and tie a ribbon tight around the neck to keep the oats together
5. Pass the thread through the hole in the information label and tie
